POLICY REGARDING THE USE OF AUDIO-VISUAL PRESENTATIONS DURING DEBATE

Adopted by the Synod Council ~ September 23, 2006 (SC06.09.03)

An audio-visual presentation promoting an Assembly resolution may be presented only if pre-arranged with the Synod Assembly Committee -- Technical Chair. An audio-visual may not run more than 3:30 minutes and will be received as a "speaker" in the normal rotation of debate. An audio-visual presentation may serve as the initial "speaking" to a matter, subject to the time restriction above.
