

Assembly Offering

A new endowment of the Synod set up as part of our capital campaign “*My Synod Moving in Mission Together*” is for campus ministry. This endowment will allow persons to invest for the long-term in faithful and challenging campus ministry programs in our Synod. Currently Campus Ministry is offered at three locations in the Synod: The University of Idaho, Moscow, ID; Washington State University, Pullman, WA; and Eastern Washington State University, Cheney, WA.

The Synod Council has approved naming the portion of the Synod’s Mission Campaign fund in support of campus ministry the “**Wells Endowment for Campus Ministry.**”

To honor Bishop Wells’ ministry, the Eastern Washington-Idaho Synod Council has designated the Synod Assembly offerings to support the Wells Endowment for Campus Ministry.
